REGISTRATION GUIDELINES

1. The registration fee covers publication costs, meals, refreshments, and conference management fees.
2. At least one author must register and pay the publication fee, and each registration covers only one paper.
3. Co-authors and other attendees must pay the registration fee to access conference materials, presentations, meals, and refreshments.
4. Registered participants will receive electronic conference proceedings and access to the conference portal, keynote sessions, and technical discussions.
5. Both virtual and in-person participation options are available to all participants, regardless of their location.
6. The conference registration process, along with payment details, will be shared with you once we receive your abstract for review.
