3rd International Research Conference on Interdisciplinary solutions for Progress, Innovations, Resilience, and Excellence (INSPIRE 2027)

CALL FOR ABSTRACTS

The **Centre for Quality Assurance (CQA) of the Royal Institute Campus**, as the organiser of the International Conference on Interdisciplinary Solutions for Progress, Innovations, Resilience, and Excellence (INSPIRE 2027), invites researchers from local and international universities, research institutions, and organisations to submit abstracts for presentation at the technical sessions of INSPIRE 2027, to be held on 20th August 2027.

All accepted abstracts will be published in the Conference Proceedings of INSPIRE 2027 (ISSN 3093-5741).

To be considered for evaluation, each submission must include:

- An abstract not exceeding 300 words.
- The online registration form, completed and submitted by the corresponding author/presenting author

Deadline for submission of abstracts: 30th May 2027

Guidelines for the preparation of abstracts are given below. Please follow the instructions carefully. Abstracts that do not adhere to the required format or are submitted after the deadline will not be considered for review.

The Editorial Committee of INSPIRE 2027 reserves the right to make editorial revisions to the submitted abstracts to enhance clarity and quality.

Please complete the online registration form available on the Research Conference webpage (https://ric.lk/research-conference/) before submitting your abstract via email to inspire@ric.lk on or before the submission deadline.

GUIDELINES FOR AUTHORS

General Requirements

1. Abstracts must present original and innovative research that has not been previously published or presented elsewhere.
2. Authors must ensure that all research has been conducted in accordance with applicable research ethics standards and guidelines.
3. An author may submit multiple abstracts, either individually or in collaboration with up to six (6) co-authors (**a maximum of seven authors per submission, including the primary author)**

Guidelines for the Preparation of Abstracts (Maximum 300 Words)

I. Authors must use the official Abstract Submission Template.

II. The relevant conference sub-theme should be clearly indicated at the top of the abstract, above the author names.

III. Authors' names should be written using initials and surnames, with capital letters used only for initials and the first letter of each surname.

IV. Include the institutional affiliation (the organisation where the research was conducted) immediately below the authors' names.

V. If authors are affiliated with different institutions, the names and locations of the respective institutions should be provided. Institutional affiliations must be identified using superscript numbers after each author's name, corresponding to the numbered affiliations listed below.

Example (Multiple Authors):

Menikpurage P.[1], Abeytunga D. T. U. [1], Wijesundara R. L. C. [2]
[1] Royal Institute Campus, Sri Lanka.
[2] Deakin University, Australia.

VI. The title should be concise and accurately reflect the content of the study. Use sentence case, capitalising only the first word and proper nouns.

VII. The text of the abstract **should not exceed 300 words**, excluding the title, author affiliations, acknowledgements, and keywords.

VIII. The abstract should include the purpose and background of the research, methods, key findings/results, and conclusions. These elements should be presented in a single paragraph without separate headings.
